

ThermoSure™ Fabrics

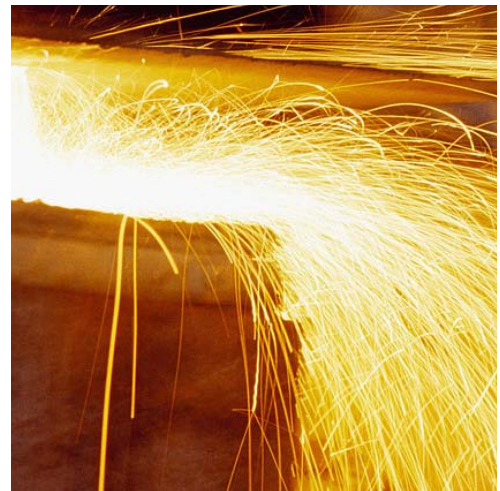

- Manufactured with high quality materials
- Thermal resistance for protection and insulation
- Can be used as reinforcement for specialty composites
- Good resistance to chemicals
- Available with wire insertion
- Custom design

Standard Products

- 10P132 Glass/Organic
- 10P130GK Glass/P-aramid/organic
- 12P110GK Glass/P-aramid/organic
- 10P155K Glass/P-aramid
- 10M160 Glass/organic/Wire insert
- 10M160GK Glass/P-aramid/organic/Wire insert
- 10M280GKI Glass/P-aramid/organic/Wire insert
- 10P380K—600K 100% P-aramid

See reverse for specifications and additional
